Don [Joe] Iles Named Rotarian Of The Year

Mr. Don (Joe) Iles of Curry Motors Limited, Haliburton, was chosen as "Rotarian of the Year"

by the members of the Haliburton Rotary Club at the last meeting of the Rotary year held at Deer Lodge last Thursday night.

Rotarian Joe Iles is not only an ardent worker in the Rotary Club but is also a very active member of the community. For his past

performance in 1970-71 he was awarded "Rotarian of the Year" and was presented with the Fred Jones Memorial Plaque.

Joe, who has been a very hard worker in Rotary, has served in the past on practically every committee in the Club and has always been on hand whenever he was needed. He was President of the Rotary Club of Haliburton in 1964-65, and was Conference Chairman of the District 701 Conference held at Chateau Woodland just recently.

Outside of Rotary he is also an active member in the community as he is at present the President of the Haliburton Minor Hockey Association, and was a former star of the Haliburton Huskies Hockey Club. He is also a present member of the Glen Dart Hockey Committee, and is a past member of the Community Hall Board. An active member of the United Church, he is serving on the Board of Stewards.

Shriners Present Cheque For New Hospital Equipment

On a recent visit to Haliburton for an enjoyable Dinner Meeting at Deer Lodge, under the chairmanship of Noble Harold Kennedy, the local Haliburton Red Cross Hospital was presented with a cheque covering the cost of two pieces of new hospital equipment — a universal croupette and a special orthopedic wheel-chair. Shown in the above picture

presenting the cheque to Mrs. Gordon Bennett, the Head Nurse, are: (left to right) Nobles Harold Kennedy, Local Director; Keith Innes, President; Wes Edwards, Secretary-Treasurer; and Dr. H. E. Good, Local Director.

In addition to the above, the local members of the club — Dr. H. E. Good, Vance English, Lester Walling, Harold Kennedy — pro-

vided tickets to all members of Grade V in the local Public School to enjoy the Shriners' Circus in Peterborough. This is an annual event for the Grade V class and is made possible by the generosity of local members of the Kawartha Shrine Club in co-operation with the local County Board of Education who supply transportation by bus.

The Big Fish Are Still Here

The big fish are still in the Haliburton area lakes, and Wayne Roberts of Haliburton has a big one to prove it.

While fishing in front of Drag Lake Lodge on Monday, June 28, Wayne landed a 19-pound 2-ounce lake trout which measured 32 inches in length and 22 inches in girth. He was fishing with his father-in-law, Len Herron, at Drag Lake when he landed the fish. The big fish was caught with a gold Williams Wobbler.

Wayne Roberts is now operating his own business here in Haliburton, known as Hunting and Fishing Unlimited.

New Hospital Opens Here At Haliburton

The official opening of one of the finest and best equipped hospitals in Ontario took place on Sunday afternoon, June 27, when the Official Opening Ceremonies were held for the new Haliburton Red Cross Hospital.

The new hospital contains beds in the main section, with three beds in the emergency department. Facilities in the X-ray laboratory have been considerably increased. Services available in the new hospital are far superior to those in the old building.

The outside of the new structure resembles a modern, first class motel. It is situated on a lakefront lot overlooking Grass Lake, south of the Haliburton Highlands Secondary School.

Following the Service of Dedi-

cation given by Reverend John Smith of the Lakeside Baptist Church, Haliburton, came the Chairman's Welcome by Mr. Stan Fisher.

Mr. Fisher stated "thirty-five years ago the citizens of Haliburton and area gathered for the opening of the original Red Cross Hospital, but today we are gathered to mark another milestone in Haliburton's history. The dedication of this new hospital has great significance for your community and its citizens." He concluded by saying "On behalf of the Canadian Red Cross and the Haliburton Hospital Committee it is my pleasure to welcome you to these opening ceremonies."

Mr. Roy Brohm, Reeve of the Municipality of Dysart et al, said that it was a proud day indeed to officially open the newest (actually the fourth) Haliburton Red Cross Hospital. The Reeve

brought greetings from the Council, who also played a big part in the erection of the new building. He went on to say that health is a responsibility of us all and went on to tell of the plight of the poor people of Pakistan and just how lucky we are here in Canada where no one goes to bed at night hungry. Roy recalled having played in the Haliburton Citizens' Band in the opening of the first Haliburton Hospital. He paid special tribute to Stan Fisher and Ray McKinnon for the big part they played in raising money for this project.

Mr. Roy Windover, Warden of Haliburton County, stated that this was a great day for the citizens of Haliburton and the County as a whole. He recalled the building of the first hospital here and the new Nurses' Residence which was built in 1940. He pointed out that the new Hospital and Haliburton Medical Centre were two buildings pointing the way to progress in the County.

"This is a happy occasion for the people of Haliburton County and also the summer visitors," said Mr. William Scott, M.P. for Victoria-Haliburton. He went on to say that Haliburton is a very progressive community with a new clinic and now a new hospital. He pointed out that the valley in which we stand today has two places of learning, in the Secondary School and the new Elementary School, which is now under construction, and the new Hospital. In closing Mr. Scott wanted to thank all those who played a part in the erection of this hospital and he hoped that they would enjoy many years of happiness.

Mr. Glen Hodgson, M.P.P. for Victoria-Haliburton, said that he was more than pleased in having been able to get the Northern Ontario Grant which amounted to around \$60,000.00 to help pave the way to pay for this building. He pointed out the advancement being made in the field of health services in the Riding with the expansion to the Ross Memorial Hospital in Lindsay and with the new Medical Clinic and Hospital in Haliburton. Mr. Hodgson added that all these things will take a bit of the load off the doctors who are overworked at the present time. And in closing he said that we can all feel very pleased with the fact that we are opening the hospital and that it is all paid for.

Others present at the Official Opening Ceremonies were Mr. Carl Weber, Chairman of the Outpost Hospital Committee, The Canadian Red Cross Society; Dr. Proctor Dick of the Ontario Hospital Services Commission; Dr. R. Balenson; and Dr. Burkholder, the local Medical Officer of Health.

Three ladies who were members of the Executive of the Haliburton Branch of the Red Cross which

was formed in 1929 — Mrs. Madeline Austin, Mrs. Phyllis Hodgson and Mrs. Hilda Kellett — took part in the ribbon cutting ceremony.

Special mention was also made to Mrs. Elizabeth Carroll, who was unable to be present, for her faithful work with the local Red Cross Branch and with the new Hospital.

"A dream has now become a reality" said C. F. Elderkin, Past President of the Ontario Division of the Canadian Red Cross Society. "We are planning a further expansion of these facilities in the near future for this lovely valley of Haliburton" he said.

Mr. Lance Easton of the Haliburton Branch of the Royal Canadian Legion presented two flags to be used in front of the new hospital.

Mr. James Cooper of the Gideons International of Canada donated ten New Testaments and Psalms, plus one large Bible for the waiting room in the hospital.

Mr. Ray McKinnon, the former local bank manager, was Chairman of the Building Committee throughout the entire fund raising campaign which actually started on May 1, 1970. He said it was a great tribute to the committee to see this hospital completed and ready for use, only a little over a year since collection of donations and pledges was started.

Mr. Murray Fearrey, Public Relations Director for the Fund Raising Committee, said results from the people were excellent. "We have raised \$157,000 of the total amount required, providing all the pledges come in that have been promised. This has been a community effort with everyone entering the fund raising scheme."

The estimated cost of the land and building was \$484,600. One-third of this was to be covered by donations and the local Red Cross. The Provincial and Federal Governments will equally share the remainder.

Mrs. Marlene Bennett will be the Head Nurse in charge of the new hospital. Nurses will now have a Nurses' Station with a comfortable environment.

After the opening ceremonies the large crowd was taken on a conducted tour of the hospital, followed by the serving of tea in the Hospital Board Room under the auspices of the Hospital Ladies' Auxiliary.

Patients were moved into the new hospital on Monday of this week.

dover, Warden of Haliburton County; and several Reeves of surrounding townships; as well as the Administrator and the Committee of Management who, with their wives, were the hosts for the evening.

When acknowledging the invitation to dinner the guests were asked to record their age, and of those who did the oldest was Mrs. Rose Davis of Hall's Lake who, at 93 years young, is still active. She was recognized with a token gift. To Eliza Austen of Brady's Lake and John Harrison of Carnarvon, and any others of the over 90's who did not let anyone in on their age, we extend special congratulations and best wishes.

Also, a plaque was presented to Mrs. Florence Hewitt who celebrates her fifth anniversary as a resident at Hyland Crest. She was the first resident to go to the Home when it opened on July 4, 1966.

The evening was brought to a close with an informal programme of old tyme music. Bright smiles and chatter indicated the pleasure of men and women meeting old friends and sharing memories.

The dinner was provided by Hyland Crest with the assistance of many organizations and individuals from all over the County. The staff volunteered extra time also, to co-ordinate the generous assistance of the many willing workers who came to help make this effort the success it proved to be. Thank you one and all.

The Over 70's Dinner was followed on Wednesday by "Open House" when the public went to see the Home in action. The Carnarvon Rangers and other young people guided the visitors and introduced them to the many features of the Home including the Craft Room where Auxiliary volunteers were working with the residents who produce the many beautiful articles which were on display. Afternoon tea was served by the ladies of the Auxiliary in the Auditorium.

The regular monthly Birthday Party was held on Thursday afternoon. This took the form of an outdoor Tea. The ladies of the Haliburton United Church were the June hostesses. A different organization entertains each month for the birthday party, as well as the regular "Thursday Teas". Ten Hyland Crest residents celebrated their birthday in June. On Thursday evening the Carnarvon United Church Choir entertained in the Auditorium and the singing of the young people of the Junior Choir especially thrilled the residents.

Senior Citizens' Week 1971 will long be remembered by the folk at Hyland Crest, who ended the week tired but happy. To everyone who assisted a sincere thank you goes out from each one, with the hope that all will remember that they live there every day, every week, and visitors are always welcome to entertain or just to drop in for a friendly chat. They are still your neighbours and want to be thought of that way. The senior citizens everywhere have "a lot to live - a lot to give" if given the opportunity and the encouragement.
